Settlement Commission on DPEA cases

1823. SHRI UDAY PRATAP SINGH: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) what are the details of DPEA liabilities which are due from the MNCs and the Indian companies;

(b) what are the names of the companies, names of the drugs and the amount involved;

(c) whether Government are intending to form a Settlement Commission for the same; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI B.K. HANDIQUE): (a) and (b) The Drug Prices Liabilities Review Committee (DPLRC) issued notices in 72 cases involving 71 companies (one case merged with another) both to the MNCs and the Indian companies for representation/submissions from these companies against the liabilities communicated by the Department of Chemicals & Petrochemicals till the interim stay dated 30.6.1997 was granted by the Hon'ble Bombay High Court in Writ Petition No. 2368/1996 filed by Indian Drug Manufacturers' Association (IDMA) and Organisation of Pharmaceutical Producers of India (OPPI) restraining the Department and its committees etc. from issuing fresh notices to the drug companies calling for information required for determining liablilities. In totality, out of the 72 cases referred to DPLRC, the Committee submitted its report in respect of 47 cases. At present, there are 25 cases pending with DPLRC because of the stay granted by Hon'ble High Court where no quantification can be done till the vacation of the stay. In addition to these 25 cases, there may be a large number of cases in respect of other bulk drugs where the liability would be quantified after the above said stay is vacated. Presently, DPLRC has been kept under suspended animation with effect from 31st December, 2005 as no new cases could be taken by the Committee for quantification due to the stay given by the Hon'ble Bombay High Court. On the basis of the recommendations of the DPLRC, the Department computed liability in respect of 16 companies. After the issue of revised terms of reference of the Committee on 10.10.2002, DPLRC quantified the amount of liability in 30 cases (29 companies). A statement containing the names of the companies, drugs and the amount involved is attached as Statement-I.

(c) and (d) Considering the prevailing litigation in DPEA liability cases which pertain to the period with effect from 1.4.1979 to 25.8.1987, and the fact that most of the companies to whom demand notices have been sent, have moved various High Courts it seems worthwhile to settle these cases either through Settlement Commission or through any other Scheme. However, a decision in this regard has not yet been taken.

Statement-I

Names of Companies and Drugs and the amount of liability involved on the basis of recommendations of DPLRC

FDI in fertilizer sector

1824. SHRI T.T.V. DHINAKARAN: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) what is the foreign Director Investment (FDI) in the fertilizer sector so far;

(b) the reasons for the low FDI in this sector; and

(c) the steps taken to attract more investment?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI B.K. HANDIQUE): (a) The details of country-wise break-up of Foreign Direct Investment (FDI) proposals received during the period from 1.1.2000 to 30.4.2006 in the fertilizer sector are given in the statement (*See* below). The total inflow of FDI to the sector during this period has been Rs. 259.63 crores.

(b) and (c) The extent of FDI in this sector is dependent upon general investment climate in the country as well as overall policy framework regulating it from time to time.
